100 Year Celebration
San Pedro Park

In the spring of 1922, Padre Jose Jardim of Madeira, traveled to the US to visit Madeiran immigrants and report on their success there. Fondly referred to as the "salesman of the virgin" he was also looking to raise funds to build the monument to "Our Lady of Peace" high above the capital city of Funchal, Madeira. His relatives and friends, in what was then called "Riverbank", raised a sum of \$600 for his monument and the San Pedro Festa was born.

"Friends of San Pedro"

The San Pedro Association "Friends of San Pedro" membership runs July 1st through June 30th and is \$25 annually for each household including two adults and any minor children who reside in the household. Participation at the annual Easter Event and Christmas Party is included, as well as one vote at the 'General Membership Meeting' election of the Board of Directors held each spring.

"Friends of San Pedro" show their commitment to preserving our shared Madeiran heritage by donating "above and beyond" the membership fee of \$25. These additional funds enable the San Pedro Association to preserve, maintain and improve San Pedro Park. Those making an additional donation of \$25 or more, will automatically be entered into the "St. Peter's Key" contest. Four cash prizes of \$25, \$50, \$75 and \$100 will be awarded on Sunday afternoon at San Pedro Festa, June 26th (donors may designate a proxy if unable to attend). Questions?
